Dante is a master swordfighter and loves to play the violin, but he comes from a world where enemies are corrupt and virtuous people are oppressed. The Trinity-like powers of the three goddesses are joined with powerful demon warriors who are driven by their own goals and desires and eventually the Devil himself, which gives DmC Devil May Cry™ a fresh new feel to this franchise. Key Features: Fight your way through hordes of enemies in free-roaming worlds in a fully 3D action-adventure game. Defend the innocent and seek revenge against the corrupt, taking on a ruthless war against angels and demons, humans and half-humans as well as their own kin. Customize your character, weapons, and special moves using parts found throughout the game.

Combine in new ways to enhance your weapons, create powerful demon warriors to join you on your quest. Re-examine the themes of the original with a modern setting, using Dante's story as a lens to challenge players to think about themes of good and evil, right and wrong, and the human condition. Will Dante find his way home, or will the world be lost to madness? Experience the complete version of DmC Devil May Cry™ exclusively on PlayStation®3.
